

Pafilia opens property office in Limassol

Pafilia Property Developers has recently opened an impressive property sale office on Limassol's seafront avenue, in a prime location next to the Limassol park. This expansion is a natural progression following the launch of several high profile developments in the city, which include, ONE, the tallest residential seafront tower in Europe.

The eye-catching contemporary office, designed by local architect Iraklis Papachristou, is aligned with Pafilia's focus on pioneering, quality and innovative design and provides the ideal space for showcasing their extensive portfolio.

"In the 39 years since our establishment, we have collaborated with internationally-renowned architects and elite local professionals, earning great acknowledgement for delivering unique, state-of-the-art developments. Our new offices reflect this reputation and we are proud to see the space stand as an exemplar of style and contemporary design that defines the Pafilia brand." Mrs. Evangelia Eliadou, Executive Director of Pafilia Property Developers.

Pafilia's property sales offices in Limassol are open Monday – Friday 08:30 – 18:30 and Saturday 09:00 – 13:00. For any further information please visit: www.pafilia.com | www.onelimassol.com | T. +357 25 590 880
